

**PART NUMBER :53746350**

**UNIVERSAL DOUBLE SCROLL AIR BLOWER**

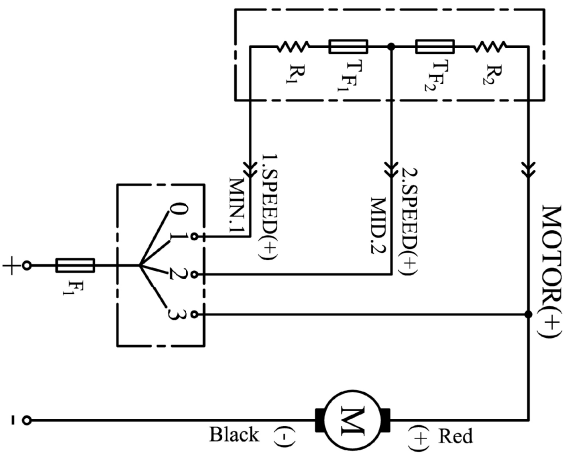

**TECHNICAL SPECIFICATIONS**

|                          |      |                |
|--------------------------|------|----------------|
| Operating / Test Voltage | V    | 24 / 26        |
| Number Of Speed          |      | 3              |
| Volumetric Flow          | Q    | 450/650/900    |
| Speed                    | rpm  | 1850/2850/3700 |
| Current                  | A    | 3.2/6.3/11     |
| Noise                    | dBA  | 63/72/78       |
| Vibrations               | mm/s | 1/1.5/2        |

**CHARACTERISTIC SPECIFICATIONS**

| CURRENT<br>(A) | STATIC<br>PRESSURE<br>(mmH <sub>2</sub> O) | AIRFLOW<br>(m <sup>3</sup> /h) |
|----------------|--|--------------------------------|
| 11             | 0  | 900                            |
| 10.9           | 10   | 725                            |
| 10.3           | 20   | 575                            |
